**Subject:** IOLTA's

Catholic Credit Union in Yakima currently does not provide IOLTA accounts. However, all Credit Unions and not just Banks should be able to provide this service. Credit Unions serve our members in many ways that are similar to Banks. There is no lack of security or Insurance that makes Banks any more sound then Credit Unions. I would strongly urge that Credit Unions continue to be able to serve our members in all there Financial needs. Thank you, Terry Gresswell, Catholic Credit Union
