**Subject:** Proposed Amendments to RPCS

Ms. Bausch,

I know the comment period for the amended RPCs expired on April 29th. But, I wish to point out a typographical error in Comment 1 to Rule 4.3. The last line of comment 1 refers to Rule 1.13(d). I believe the proper citation should be to Rule 1.13(f). I know this is minor, but it may help avoid confusion in the future.

Joe McCarthy
