CLERK

Clerk of the Supreme Court
P. O. Box 40929
Olympia, WA 98504-0929

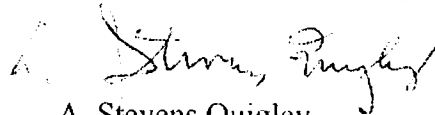

Dear Sir or Madam:

Re: Suggested Amendments to Rules of Professional Conduct

While I wholeheartedly agree that unreasonable behavior needs to be eliminated from the practice, I strongly believe that lawyers should represent clients zealously, not just "conscientiously and ardently."

This phrase sounds more like a circumspect lover than ideal representation by a lawyer.

Yours very truly,

A. Stevens Quigley
