Subject: Proposed RPC 1.15 (formerly 1.14)

Dear Ms. Bausch:

I write in support of proposed RPC 1.15, formerly RPC 1.14. The proposed change in the rule would protect and enhance IOLTA (interest on lawyer's trust accounts) revenue. This income stream is absolutely crucial to fund vitally needed civil legal services. The proposed amendment to RPC 1.14 which RPC 1.15 represents is appropriate and well crafted. I urge the adoption of proposed RPC 1.15.

Very truly yours,

Judge Catherine Shaffer
